ON THE COVER

A whimsical summery "60's vibe" Affie "Fleur" by the fabulous Robin Punsalan. A painting that brought up sentimental memories:

"Wow. That's a blast from the past. It was gouache paint on paper. This was out of my head and inspired by a bitch that was my junior handling dog. Kinda get emotional about it as she was so dear to my heart. Too long a story but as you know, they all are always with us even as they pass and I feel that's what drives me to paint them. You certainly can use it. You can just add the title 'Fleur' and she was inspired by one of our bitches. "

President's Report

By: D. Scott Pfeil

Welcome to another wonderful issue of Topknot News! This is an exciting time of year for the fancy as we prepare for the National Specialty! I hope to see you all there! Dorma Sue Busby and Becky Morisette have taken on the monumental task of chairing the national, but it takes a village. They have assembled an AMAZING group of event chairs, committee members, and volunteers to make this show happen. The theme for this year's National is LEGENDS, and I am sure that the show will be legendary!

Remember to attend the General Meeting during the National. This is the one time of year that our membership can assemble to be updated on what is happening in the club and make your voices heard.

I also want to sincerely thank every person who is currently serving as an AHCA Officer or Board member. In the past, meetings were marathon events held quarterly, and it often took a long time to get anything accomplished. The Board now aims for shorter, focused monthly meetings, and I am very

proud of what we have accomplished. We have seen overwhelming support for our Code of Ethics. Lynda Hicks has worked tirelessly to overhaul and recommend changes to our P&Ps which are often outdated or inconsistent. This has not been an easy task!

A true force of nature is our AKC Delegate Connie Butherus. Recently, I attended my first delegates meeting on behalf of my all-breed club, and I got to see Connie in action. She represents the AHCA very well, and we are lucky to have someone with her experience, expertise, and diplomacy as the voice for our club.

Everyone serving on the Board helps make my job as president easier, and we are all volunteers serving the club for our love of the breed. When you see a Board member at the National, be sure to thank them for their efforts!

Finally, I want to ask all members to consider how you may be able to offer your talents or time to helping the club. Clubs should be member driven organizations, but truthfully, members can only get from a club what they put into it. Frequently we put out requests for volunteers, but all too often these requests go unanswered. We can only continue offering high level specialty shows and events if we have member support. If you have any ideas of how you could help, please don't hesitate to reach out to me. 🐾

AKC DELEGATE REPORT

Submitted by Connie Butherus

The AKC Delegates Meetings for the third quarter of 2024 were held September 9 and 10 at the usual site of Doubletree Inn at Newark Airport.

Day one was devoted to the standing committee meetings. I am a member of the Parent Club Committee and it is always number one on my to do list. The Parent Club Committee conducts its business by reviewing a number of reports addressing major areas of interest. Committee members receive these reports prior to the actual meeting and we are able to prepare. A Zoom conference was held the week before the meeting to discuss the agenda and the reports.

I will forward a copy of the reports we use to any AHCA member who requests them. The available reports from the September meeting are as follows.

- AKC Board of Directors Liaison
- Breeders Development Committee
- Citizens Science Task Force
- AKC Library & Archives Update
- Legislative/ Regulatory Updates

Marc Dunn of the AKC Registration department informed us that the Breeder of Merit recognition status had recently removed 1250 participants from holding this designation due to noncompliance with the requirements. Those receiving this status had committed to registering 100% of their litters with the AKC. Research proved otherwise. Any noncompliance or misinformation can be reported to Mari-Beth O'Neill at the AKC.

The legislative area is currently monitoring over 6,000 bills throughout the US. They have also been following the CDC actions regarding the importation of dogs with a special focus on the Canadian/US situation. The ban on importation of puppies less than 6 months of age has been a major issue on both sides of the border.

Several work groups are addressing the promotion of Juniors in the sport. There are currently 240 Junior Coordinators in various Clubs. It was noted that a number of Judges have recently resigned their approvals to judge Junior Showmanship. It is mandated that all of the Junior Coordinators, and those who judge the Junior Showmanship classes, must take the "Darkness to Light" course in order to continue.

The Breeders Development Committee continues to be very active in promoting and working to de-

velop and encourage breeders. This Committee meets monthly and has done so for nearly five years. I have served as Secretary the entire time. The primary goal is interviewing and preserving the knowledge from each breed's legacy breeders. We are losing these legacy breeders as the years accumulate. The AKC is currently doing interviews and filming the AKC Breeders of the Year awardees. Some of these are now available and the links have been sent to the Parent Clubs.

The Parent Clubs have been urged to appoint a Breeder Education Coordinator. To date 64 Parent Clubs have filled this position. A Google group has been established for the Coordinators to enable them to network with their peers. The Committee has sent each Coordinator an introduction and information packet which is being updated quarterly.

The AKC Purebred Preservation Bank has accepted 23 samples for storage. There are 10 approved storage facilities in place. Parent Clubs are urged to establish parameters for their breed clubs. Several show cluster sites have started offering collection services to facilitate this important program.

Both the Parent Club and Breeders Development Committees have addressed shrinking numbers in the sport which are seen in the data provided to each Parent Club regarding their breeding/breed profiles. AKC Registration has provided each Parent Club this data since 2017. Many have stated that this data is a call to action. These numbers, along with documented Parent Club membership, conformation entries, National Specialty entries, breed participation in non-conformation AKC events and local breed clubs form the metrics by which a Parent Club can assess its physical health. Committee members will be doing an assessment for their respective Parent Clubs. We must be data driven. More to follow.

The Delegate Forum topic was Paws and Progress: Exploring Developmental Orthopedic Challenges and Sports Injuries in our Canine Companions. The content of the presentation addressed the key orthopedic concepts and advancements in treating structural injuries. Our dogs are living longer these days thus more structure issues have arisen (much like in those of us humans). One important finding was data which documented that neutering puppies less than 6 months of age is correlated to a greater number of structural injuries. The Forum was presented by Dr. Bryan T. Thomas of the College of Veterinary Medicine at the University of Georgia. He would be a great Breeder Education speaker for any Club.

COMMITTEE REPORTS

At each Delegate meeting all newly seated Delegates are introduced. I had the great privilege of introducing the new Delegate for the International Kennel Club - Scott Pfeil. This was Scott's first meeting as a Delegate A welcome addition to the group!

In his address, AKC Chair Tom Davies, acknowledged the 9/11 events 23 years ago. It occurred during the September Delegates Meetings in 2001. He further spoke of the newer AKC events such as the National Owner Handled classes and the resulting increased participation. Another event is Rally and the National Championship Invitational event for Rally will be held in conjunction with the Orlando AKC shows in December. The top 305 ranked Rally exhibitors will be invited to compete. He concluded by remarking that at his first Delegate meeting in September of 1974 the vote was in the affirmative to admit women as Delegates!

The report of the CFO is always of interest as we are "talking real money". Online registrations represent 80% of the current registrations; previous data shows litter registrations have decreased 17% with dog registrations having decreased 14%. There was a 2% increase in the litter numbers from last year. Events have increased 11%. Yet the entries at events have increased only 4%. Could it be that with more events and the same or perhaps fewer dogs there is a gap? Just a thought. Operating revenue is less and expenses increased 3%. Donations continue to the 501(c) (3) related AKC organizations. The investments have shown a 6.2% growth with a reported \$264million in total assets.

President Dennis Sprung recalled the 9/11 events and the resulting AKC actions and initiatives taken at the time. These resulted in significant fund raising and donations to the recovery efforts and organizations. He noted that the AKC was founded 140 years ago on September 17, 1884.

Lifetime Achievement Award recipients were featured in a video presentation. The Conformation awardee being our own Michael Canalizo. Curt Curtis was the honoree for the Companion Events area and Laurie Soutar in performance. All very well deserved!

BREEDERS' CUP 2025 COMMITTEE REPORT

Submitted by Billy Webb

Once again I have the unique privilege of Chairing the AHCA Breeders Cup along with my co-chair Marla Capozzi and Secretary Amy Mero. We are ex-

cited to take our show on the road to Frenchtown, NJ. Our theme for this year "Legends Live On", referencing the dogs in the pedigrees of our future stars.

Mary Ann Giordano and Lucie Langolis have agreed to submit ideas for a logo. (Juli Syzmanski has volunteered to be Trophy Chair and chief fundraiser.) We are still in the process of assembling the various committees necessary to make this a successful event.

We love this showsite for its versatility. We are able to have a fabulous show outside weather permitting or move it inside to a spacious air conditioned space for the comfort of our exhibitors. This weekend marks the 50th Anniversary of the Afghan Hound Club of Northern New Jersey and coincides with NNJ Hound Show and the Bucks/Trenton weekend. The weekend promises majors galore.

We are asking the Board to figure out a way to expedite the decision to include the 21-24 month classes at the 2025 Breeders Cup. I have been told that would require a vote from the General membership. If at all possible might we poll the membership prior to the National. Reason being we'd like to include it in the Premium list and the litter nominations which are distributed pre National. We think that this would be a missed opportunity for a lot of Breeders who nominated litters in 2024 but did not attend the Breeders Cup in Texas due to the distance. In my conversations with members of the parent club and exhibitors of our hounds everyone is overwhelmingly in favor of this class. Please consider expediting this matter. We will of course have to reimburse the AHCNNJ \$1.00 per entry for giving up their regularly scheduled Sweepstakes classes.

Regional Club baskets were a hit at 2024 Breeders Cup and we will be asking the Regional Clubs again to participate. This was a great fundraiser for the local club to help offset the added expenses of hosting the Breeders Cup.

We have secured a room block at several hotels as there isn't one local to the showsite. The average drive to the showsite will be approximately 30 minutes. Unfortunately there is no overnight parking for RVs at the showsite, however there is an awesome RV park situated on a lake approximately 15 minutes from the showsite.

Proposed schedule of events listed below (subject to change based on entries):

Thursday 5/01	NNJ Hound Show
Friday 5/02	AHCA Breeders' Cup

9:00am	Show - <i>Judge TBD</i>	<u>THYROID</u>
12:00pm	Hospitality - Lunch	NORMAL - # 9
1:30pm	AHCNNJ #1	EQUIVACABLE - #2
	<i>Judge: Helen Stein</i>	COMP AUTOIMMUNE THYROIDITIS - #2
5:00pm	AHCNNJ#2	
	<i>Judge: Mario Martinez</i>	<u>HIP</u>
	<i>(Spain)</i>	EXCELLENT - #8
Saturday 5/03	Bucks County Kennel Club	GOOD - #6
Sunday 5/04	Trenton Kennel Club	FAIR -

As you can see, a full weekend to celebrate our truly wonderful breed.

CANINE HEALTH REPORT

Submitted by Anna Tyler

Dear Board:

1) The balance in the AHCA Canine Health Foundation’s Donor Advised Fund – (DAF account) as of June 30th, 2024 is \$10,722.78.

2) The AHCA Canine Health 501(3)© checking account balance was \$8035.02. This was the last balance I was aware of for the Canine Health Fund checking account.

3) The Evergreen Afghan Hound Club and the Greater Twin Cities Afghan Hound Club each sent \$500.00 to the CHF Hemangiosarcoma Research (although some time ago).

4) The AHCA members voted in an informal FaceBookpoll to send funds from the AHCA Donor Advised Funds to the following canine health research grants:

- \$500.00 to Grant 03134: Use of a service dog breeding program to unravel the genetics of congenital idiopathic Megaesophagus in German Shepherd Dogs.
- \$500.00 to Grant 02945: Towards Curative Outcomes in Canine Hemangiosarcoma

5) The Kennel Club of Yorkville, Illinois has made a generous donation to our CHF Donor Advised Fund in memory of Tom Cozzoni.

COMPANION EVENTS REPORT

Submitted by Lynda Hicks

1. Changes to Triathlon rules

The Committee has been working on clarification and development of proposed changes for Triathlon competition rules to become effective for the 2024 National.

The Board approved these changes at the April 16, 2024 meeting, and they will be added to the Policies & Procedures document.

2. Proposal to use undated ribbons for Qualifying Scores in companion/performance events.

It has been suggested by the members of the AHCA Companion Events Committee that the Club consider offering undated flat ribbons for Qualifying Ribbons at the National Specialty.

AKC allows undated ribbons to be used for all Companion and Performance events, and this could quite likely reduce costs significantly in these areas.

These ribbons would need to be monitored for significant numbers, and passed to each year’s National Chair. It was suggested that they may possibly be monitored as part of the duties of the Awards Chair.

The Board approved this action at the April 16, 2024 meeting.

COMMITTEE REPORTS

JUDGES EDUCATION REPORT

Submitted by James Donahue

I would like to update the Board and membership on the progress of the development of our Canine College Course. Helen, Connie, and I have approved selected movement clips captured at the Orlando shows this past November, and at the Rose City Cluster in Portland this past January. Finding acceptable movement footage has proved the most difficult part of this process as our breed does not always excel in the artificial studio setting used by the Canine College film crew. We are still looking at incorporating footage from the older AKC Afghan Hound Video from the early 1990s to supplement this.

The Canine College team is now working on developing the course content. This will include interviews with AHCA approved breed experts and our judges' education materials. The Judging Operations Department will use the standard to come up with multiple choice test questions for each segment of the course. The AHCA will have full authority to approve or deny the content put forth by Canine College and Judging Operations before the course is launched.

I will be presented our Judges' Education Seminar and Workshop at the Advanced Hound Institute at the Houston shows on July 22. I will be reaching out to the Texas Afghan Hound breeders/exhibitors to solicit volunteers for the hands-on workshop. AKC requires a minimum of four dogs in the workshop for judges to receive credit. I prefer to have six dogs, representing various ages, sexes, and styles. This is sometimes a challenge when we are not at the National.

Speaking of the National, I plan to present the classroom portion of the Judges' Education program as usual this year. However, my judging assignment presents a conflict of interest when it comes to organizing dogs and discussing them for the hands-on workshop. Helen Stein has agreed to recruit dogs for the workshop and she and Scott Pfeil will present this portion of our curriculum. I will NOT be attending the hands-on workshop during the National.

RE: Foot examination for the Afghan Hound

Dear Mr. Thomas and Executive Field
Representatives:

Recent conversations with current and prospective judges, exhibitors and executive field staff have brought to our attention that there is still a misunderstanding concerning lifting the foot of the Afghan Hound on exam.

Long-time judges may remember that they were expected to lift the foot during the individual examination. This is no longer the stance of the Afghan Hound Club of America. Lifting the foot is now considered **optional**.

The Afghan Hound Club of America seminar contains the following statements:

- Most sighthounds object to having their feet manipulated and Afghan Hounds are no exception.

- **Judges are no longer expected to lift the foot as part of a breed specific exam. A judge MAY elect to lift the foot if a deficiency is suspected.** Dogs with proper bone and substance are unlikely to have small feet or pads.

- Judges are advised to observe the pads of the feet as the dog moves away from them. For most exhibits this will be sufficient.

If a judge elects to lift the foot during the exam, it is expected that they will have received instructions on how to do so properly and safely by a member of the AHCA judges' education committee or a club approved

mentor. If the foot is to be lifted it should be the final step in the examination.

The proper technique for lifting the foot is demonstrated at all AHCA seminars and workshops. There are many AHCA approved mentors and longtime breeder-judges who will be able to offer a hands-on demonstration if needed.

Executive Field Representatives should note that a judge (permit or approved) should **not** be penalized for electing not to lift the foot as part of a breed specific exam. If the judge does lift the foot, they should be able to demonstrate a proper technique which is safe for both the dog and the judge.

All judges should be able to speak to the importance of the standard's description of unusually large foot pads in Afghan Hound function and type.

Sincerely,
James Donahue
AHCA Judges Education Chair

LIBRARY/ARCHIVES REPORT

Submitted by Helen Stein

The AKC Stud Book

I occasionally get questions from breeders about finding or researching entries in the AKC Stud Book. It's a common misconception (pun intended!) that an entry is made into the Stud Book with every breeding.

The AKC records the names and immediate lineage of every AKC registered dog used for breeding whose get have been reported to the AKC. Each AKC approved application for litter registration which contains the name of a previously unpublished sire or dam generates an entry into the AKC Stud Book. With additional breedings of this same dog or bitch, there is no further listing in the Stud Book. However, this stud book entry location is recorded on the individual registration forms of all resulting registered get. This appears as a hyphenated number in parentheses following the name of the sire and dam listed in that registration. This number represents the month and year date of the issue of the AKC Stud Book Register where that parent is listed, along with the names and registration numbers of his or her own sire and dam.

The Afghan Hound Club of America subscribes to a monthly subscription of the AKC Stud Book listing for Afghan Hounds. This information is available to Parent Club members in Good Standing at no charge, with the understanding that the information will be used

for noncommercial research or scholarship purposes only; that the member will not make or allow to be made any commercial, for profit, business or marketing use of the AKC Stud Book or any information from the AKC Stud Book, and that the member will not allow others to sell, trade, share, distribute, make available, make copies of, or publish in any form whatsoever specifically including, but not limited to, any electronic email or "online" form, the AKC Stud Book or any information therein without the prior written consent of AKC. (whew!)

If you are interested in receiving monthly copies of the AKC Stud Book, please send me an email at BeanieSue@aol.com and I will provide details. There is no charge for this report.

National Specialty Triathlon Trophy Equalization.

It was brought to the Companion Events Committee's attention that there is no requirement for Triathlon awards except the Gary Newton Award mentioned under Section 603.1 offered for High in Triathlon. Because of that omission, a High in Triathlon award was not offered in 2022 equal to those offered as High in Trial for other events. Therefore, the Companion Events Committee recommends the addition of the following to the P&P's:

810.0 TRIATHLON TROPHIES AND AWARDS

- a) High In Triathlon Rosette will be the same size as BOB
- b) Trophies and Rosettes are offered High in Triathlon and for all placements equivalent to those offered for Conformation and other Companion and Performance events.

Modification to HIT calculation for Rally at National The Companion Events Committee proposes modification to P&P's respective to addition of Master Level Classes in Rally as follows (changes in *italics*): 603.1 Garry Newton 6" Sculptured Bronze Rally – Highest in Rally to be Qualifying Scoring Triple Qualifying Score (Highest Qualifying Combined Score in Master, Advanced B & Excellent B Rally Classes) or, if none, Highest Combined Score *in 2 of any of the following 3 classes*: Advanced B and Excellent B, *Master* Rally Classes.
