ON THE COVER

What captures the essence of springtime better than an adorable puppy and a silly bunny frolicking in a meadow bursting with vibrant flowers? Here's a cute AI creation crafted for your enjoyment!

From the Editor

Virginia Katilus

As nature awakens in spring, so too does a new era

for the Afghan Hound Club of America. We bid a heartfelt farewell to Scott, whose efforts, leadership, and dedication to the welfare and promotion of this majestic breed have impacted our community. His legacy will continue to inspire growth, camaraderie, and a shared passion for Afghan Hounds. We wish Scott a future filled with joy, love, and fulfillment.

Meanwhile, we extend a warm welcome to Eddie, our new president. We look forward to his guidance as we embark on an exciting new chapter, celebrating and supporting our beloved hounds together.

Here's to honoring our past achievements and embracing the future with enthusiasm!

In Memory:

It is with heavy hearts we acknowledge the passing of the following Members:

**Terri Grimm
Sue Hamlin
Jay Johnson**

We will miss them and remember their contributions to the breed and the Club.

President's Report

By: Eddie Kominek
president@afghanhoundclubofamerica.org

Dear AHCA members,

First, let me thank the Board members for electing me to the position of President. It's an honor, as always, for me to serve our membership, and I thank them for their faith and trust in me. This isn't a position I have sought, but feel responsible to our members and our breed, and look forward to taking the initiative in guiding our club. Thankfully, we have a wonderful Board with broad experience in the administration of our club, and I know I can rely on them when I need help and advice. Thank you to Scott for his prior leadership as President and all he has accomplished, and I appreciate that he is staying on the Board.

This situation was unfortunate and confusing not only for our members, but those of us Officers and Board members as well.

While our positions and responsibilities may have shifted around, I'm confident in our ability to smooth out any wrinkles during this transition period and hit the ground running. The way the transition worked, this year's ballot for Officers will contain additional races for Officers which resigned and were appointed to temporary positions, so even if the person in the seat didn't change, their status as elected to temporary did. Additionally, the Board needs to elect an interim Recording Secretary to fill the position through to February 1st, 2026. If you're interested in the position, please contact our corresponding secretary, **Helen Stein**. As the prior Recording Secretary, I'd be happy to personally help with on-boarding.

Going forward, there are several areas we need to work on. Membership and involvement to me is key to the health of this club. We need to encourage all new Afghan Hound owners to join as associate members. This will entail efforts by our members, in particular breeders and exhibitors, to encourage their puppy owners and friends to join. I usually provide AHCA membership applications to our new owners when I send them home with their puppy's paperwork and vaccination records. I will look at streamlining the online application process to make it easier and more accessible to get that application in.

I've been on the Board awhile, and the whole aura of it has changed drastically. If you read the minutes from our meetings, 99% of our votes are unanimous. We work well together and it's a great environment, I will encourage our members to throw their hats in the ring when it comes to Officers and Board elections. Any social dog club is run through the efforts of its members, and thankfully, we've streamlined much of the business we need to attend to. Instead of three in-person meetings per year, each lasting all day or multiple days, we have a nearly monthly Zoom meeting lasting 1-2 hours and a very brief meeting during the National. This has helped us stay on top of business and lessened the fatigue and expense of long-distance travel. I don't think it's ever been easier for a member to join the Board and bring their fresh ideas and perspectives to help lead our club.

I also want to do some work and updates on the website, making it easier for our members through the site to deal with their dues and potentially bring some

redundancy to the website “committee” by enlisting a few of our members who are comfortable working on a website. For those curious, we run on Joomla, a CMS so publishing and updating pages on the site are done with a WYSIWYG (what you see is what you get) editor with drag and drop. Feel free to contact me if this is something you’re interested in.

Speaking of our committees, this is a reminder that a committee is supposed to be comprised of multiple members. Many of our committees consist of just a solitary chairperson. That chairperson can and should include other club members who can help and should be submitting reports to the Board whenever on progress and key events. Many hands make light work. Reports don’t need to be extensive or long, but just a little heads up to the Board and rest of the membership on everything our club is accomplishing.

We’re currently looking for a chairperson for the Breed and Public Education committee, probably one of our most important because they are our outreach to the public. In the past, some of the responsibilities include coordinating clubs and people for AKC Responsible Ownership Days, publications, breed flyers, grooming and healthcare seminars, therapy work and information booths. I’d like to see whoever takes this role to involve themselves with our Social Media committee and get more educational visual media on our breed and club out there.

I’d also like to increase intercommunication by the Board and among our members. I will look at doing an email update after our Board meetings to bullet point what we are working on, what we need help with, committees which need assistance and what goals we’re setting to not only increase transparency, but also in-

form our members who want to engage and how they can help.

I’m always thankful to **Erica Jantos** and everything she does with our Social Media accounts and happy many of us are using the Facebook group to chat. I’d like to encourage our more media savvy members who are out there with their Afghan Hounds in the world exhibiting, engaging the public and posting pictures and videos online, and link those posts back to our club to help promote our breed. With the downward trend in registrations and litters amongst all breeds, we need a serious push to a wider, younger audience to show how wonderful owning and loving an Afghan Hound is.

I am super proud that we finally have adopted a Code of Ethics, but I know signing was a bone of contention among some of y’all this last year.

According to our constitution, continued membership in our club means abiding by any Code of Ethics adopted by the membership. Thus, a signature by current members is not necessary, but is annually required by the Code of Ethics itself.

The Board has decided not to take any action against any member for not signing a copy and will ballot the membership with the upcoming Topknot News with an amendment to the Code of Ethics to strike the portion requiring an annual signature by all members, so keep an eye out for that. I know our Treasurer and (future) Recording Secretary will be happy with this change.

Again, thank you for this honor and I will serve the club to the best of my ability. 🐾

Dear Members,

Spring is here and final preparations for the Breeders' Cup are falling into place. Thank you to Billy Webb for agreeing to chair this spectacular event once again!

I am sad to say this will be my last message to you as the President of the Afghan Hound Club of America. It has truly been one of the greatest honors of my life in dogs. I have spent over 30 years being part of this community and the breed we so love and adore. I have decided to step down as President after over three years and eight years on the Board. I wanted to take a minute to explain why.

This position, although very fulfilling, is also very time-consuming. I am still working full-time at a sometimes extremely stressful job, I run the International Kennel Club of Chicago and a four-day cluster held twice a year, I am an officer in three other clubs, and most recently I have had a health scare I am addressing. Yes, I will be fine, and I thank you all for your kind words and support. I also have not been

able to, or have not thought it appropriate to show my dogs at AHCA events. As an active breeder that is not an easy thing to do. I am getting older and want to spend more time with my family and

doing something that could have an even more meaningful and lasting impact on our breed. As soon as a replacement is named, I will begin a program the Board has wanted to start for some time now. I will be interviewing our legacy breeders and capturing all their knowledge, stories, and bits of advice before it is lost. Our breed has so much history and some of the greatest characters the dog world has ever seen. I want to make sure we have it for generations to come.

What's next:

Well, the normal process would be for the First VP or Second VP to step into the role.

Unfortunately, these two very

capable and deserving ladies have some of the same life constraints I do and have elected not to take the position. As a result, I have asked Jennifer Taylor to begin a search and provide the Board with options for their consideration. I have agreed to stay on until a successor is appointed by the Board to fill the remainder of my term.

I will end by saying that I am so proud of what this Board has accomplished in the last few years.

We have turned the financials around and are on very sound financial ground. We have done a lot to make the club run more efficiently. We have instituted Zoom BOD meetings allowing for greater participation. The endeavor to update and correct the P&Ps was a monumental undertaking. We finally have a code of ethics. We are currently working on making our rescue program more efficient, allowing us to react more quickly with less red tape and bureaucracy. These Board members are so dedicated to this breed and its success we all owe them a huge debt of gratitude. I have been honored to serve with all of them.

That is why I feel it is time for me to move on so someone that can fully dedicate themselves to this critical role can step in and keep things progressing. I am not saying I won't be back but for now I have something telling me its time.

Thank you all for your support. I can not tell you how much it means to me.

- Scott Pfeil

BREEDERS CUP TROPHY ISSUE

Submitted by Christine O'Connor

As those of you who attended the General Meeting at the National will recall, the Breeders' Cup Trophy Chairwoman reported on the Breeders' Cup for the Chair. Some Board Members were startled to learn that they had initiated a trophy donation plan which included soliciting past winners to donate the cost of specific trophies including the donations for Best in Breeders' Cup, Best of Opposite, and individual class sponsorships.

Some background is helpful to understand how this happened. Before the later canceled (due to Covid) St Louis Breeders' Cup in 2020, the Board agreed to try a trophy plan that allowed individual donors to sponsor (through purchase at the AHCA store a trophy or class sponsorship at the event). In order to be fair, the sponsorships were made available at a set date and time on a first come, first served basis. Donations were taken through the purchase of individual items at the AHCA store. The plan was to add language to the Breeders' Cup P&Ps that the AHCA Board would need to approve trophy plans in advance for future Breeders' Cups. When the 2020 event was canceled, these donations were returned. The feeling of the majority of the AHCA Board at the time was to return to the traditional donation plan (all donations to a general fund and donors were listed in the catalog), but that plan was not specified in the BC P&Ps. The language we discussed at that time was as follows: ***The BC Chairman must get approval from the AHCA board for any trophy donation plan other than a general fund donation.***

For the 2024 event, Billy Webb was appointed Event Chairman unaware of the tradition of using only general trophy donations, since he was both a new Chair and a new member. In 2023, he was very proactive coming to the National to solicit donations. He repeated that tactic in 2024 in hopes of a better response than 2023 to no avail. He also solicited in the traditional way in the premium list, Top Knot News and posts on social media. When he realized he was not getting the needed response he began soliciting donations for individual trophies and class sponsorship which helped him in the 2024 event. He did not make us aware of this until he reported on the event of last spring. No board member objected to that part of his report so he implemented a similar donation plan this year soliciting donations for the major trophies and class sponsorships from previous winners and planning on generally soliciting donations to any remaining spots as time went on.

As you all are aware when his trophy chair reported for him at the General Membership meeting Board Members did take note and individual board members had objections.

Given the circumstances, proceeding this year seems appropriate by approving the following approach.

1) Donations by last year's winners can stand whether major or class sponsorships

2) All other donations can be purchased at an opening date and time from the AHCA store (Christine O'Connor talked to Eddie and the software to make this happen still exists and can be implemented with board approval.

3) General fund donations
The AHCA Board should add

language as specified above to the BC P&Ps requiring board approval for approaches other than trophy donations in future Breeders' Cup events.

Request for Proposals for the AHCA Breeders' Cup 2026

The AHCA Board is soliciting proposals for hosting the 2026 Breeders' Cup. This is an annual event held sometime in the second quarter of the calendar year – March, April, and May. The Board has approved holding the event outside this period – Summer Splash hosted the event in June of 2023 for instance. The event rotates if possible between three regions – this year it is in the East (New Jersey), last year it was in the Midwest (Texas). The Board encourages western clubs to submit.

The AHCA Board sees the Breeders' Cup as a forward looking event to encourage breeders in preserving our hounds. In 2026 we will mark 100 years as an AKC recognized breed. This centennial anniversary is a chance to both look backward and move forward with the preservation of our beloved Afghan Hounds. The AHCA Board hopes a way to celebrate this centennial can be found at both this Breeders' Cup and the 2026 National in the fall. Ideas can include the logo, decorations, exhibits and a special event.

The expectation is the event will cover its own expenses. No Breeders' Cup has lost money though some have been more profitable than others. Most regional clubs have benefitted in terms of their specialty entries and associated fees, though a few have not. Clubs considering submitting a proposal need to carefully consider what contributes to a successful BC weekend.

The AHCA Board believes that there are interested regional clubs willing to submit proposals. The AHCA Board wants all proposals to put their best foot forward so **Amy Kruser Mero** (who will continue as Breeders' Cup Show Secretary in 2026), **Billy Webb**, and **Erica Jantos** have graciously volunteered to join **Christine O'Connor** in assisting proposal preparers by answering questions, reviewing ideas, and reviewing proposals. They have all been involved in holding recent Breeders' Cups, and Christine is the AHCA Board designated coordinator/liaison for the Breeders' Cup. *For 2026, the deadline for submissions will be May 7th to ChristineOndine@aol.com.*

The Breeders' Cup is Document 900 in the Afghan Hound Club of America's Policy, Procedures, & Standing Rules Manual, which is available on the website. It is helpful for a greater understanding of the

mechanics of the event. The most important difference from AKC conformation events, is a very elongated schedule including litter nominations, judge nomination, judge selection via breeders' votes, and individual entries. The elongated schedule requires that work on the premium list begin early enough to publish at least a month in advance of the first deadline for litter nominations six months prior to the date of the Breeders' Cup. The successful proposal will need to begin almost immediately upon award if their event date is in March.

Proposals need to consider, include, and/or address:

- Show Chair – (required to be a AHCA member) please supply a brief resume of show related experience
- Proposed date of the event(s) P&Ps require AHCA board approval for any dates outside of the March – May quarter (Summer Splash was approved for June previously)
- Associated events – shows – independents, designated, hound shows, all breeds and other performance events
 - Regional clubs supporting the event
 - Rotating regions – event is supposed to rotate between regions – (East, Midwest, West) West in 2022, East in 2023, Midwest in 2024 (Dallas is part of that region), and East in 2025
 - Location – ease of access, shade, indoor, outdoor, ring size, ring equipment, grooming, including costs associated with location (photos or maps if they would be helpful)
 - Dog friendly hotels – include miles from the event site
 - RVs parking – on site? If not, how many miles from the event site
 - Hospitality plan
 - Fund raising ideas
 - Trophy donation plan (any plan other than a general fund trophy donation must be approved by the AHCA Board)
 - Social media plan
 - Contact information for discussion of the proposal

COMPANION EVENTS REPORT

Submitted by Beth Erisman-Thomas

First and foremost, I would like to thank the nomination committee and Lynda Hicks who put my name up for consideration on taking over the Companion Events Committee Chair. I have big shoes to fill but I am up for the task. On this Committee is Lynda Hicks, Claudia Jakus, Shelley Hennesy, Dr. Ulrike Reinisch, and myself.

I would like to say a big congratulations to all who have been working hard in all of the Companion and Family Dog events. This is showing not only other breeders but the world that we are not just a pretty face.

One team in particular who has worked very hard is GCH CH AGCH MACH4 PACH Stormhill Cosifantutte She B'Dazzl'N MXC MJG2 PADP MJPB PJDP PAX MFS TQX T2B5 BCAT "Dazzle". Owned by Robin Cohen & Robin Kletke & Sandra Frei. Bred by Lynn Vining & Sandra Frei. As you can see Dazzle not only has a Conformation Grand Champion but many others from Agility and FAST CAT.

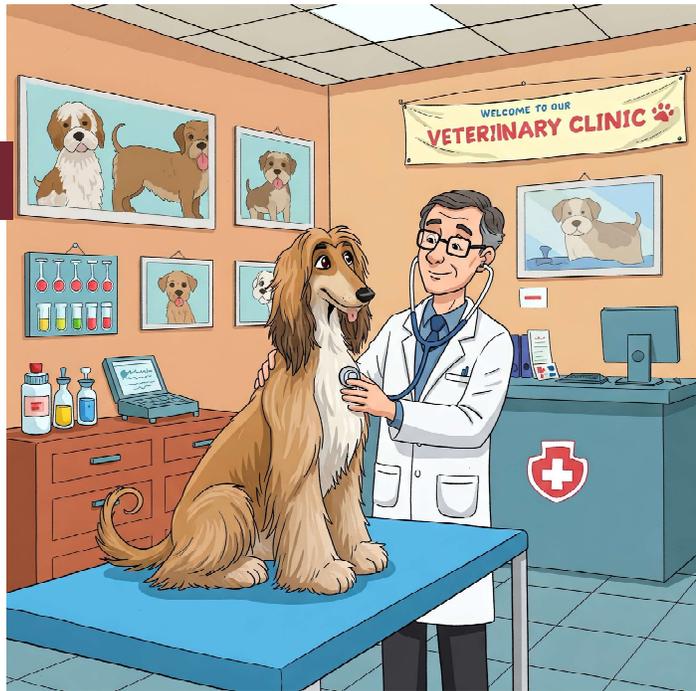

On February 14, 2024 Dazzle became the **FIRST** Afghan Hound to receive the prestigious Agility Grand Championship (AGCH).

Team Dazzle did this at the Evergreen Afghan Hound Club's Agility Trial! The Agility Grand Championship title became available in July 2018. To earn this title, one must receive 100 qualifying scores from Master Standard and

Genetics Of Inherited Heart Disease In Borzoi Dogs and Other Sighthound Breeds

Hello Members:

Regarding the Borzoi / Sighthound Heart Study; since it involves “All Sighthounds” it may be beneficial for Afghan Hound owners to participate.

Dr. Brian Davis is the lead researcher and emailed me that there is no end date to receiving cheek samples and they will keep receiving into perpetuity. The information is below with the information (very simple) for requesting a saliva swab. Request a cheek swab kit here:

Dr. Sonya Wesselowski | Dr. Brian Davis | Assistant Professors | Department of Small Animal Clinical Sciences | Texas A&M Veterinary Medicine & Biomedical Sciences | 4474 TAMU | College Station, Texas 77843-4474

Also, if you would like to send a financial donation to the researchers, please contact: Dr. Brian Davis bwdavis@tamu.edu

The following is from their website:

The Texas A&M College of Veterinary Medicine & Biomedical Sciences is seeking participants for its study on heart disease in the Borzoi breed: Genetics of Inherited Heart Disease in the Borzoi and

other sighthound breeds

Recent research in Borzoi dogs has revealed that the breed may experience sudden, unexplained death. About 85% of sudden, unexplained deaths in humans are linked to an underlying heart disease. Our existing research in Borzoi dogs has shown that they are predisposed to developing arrhythmias (abnormal heart rhythms) and dilated cardiomyopathy (a heart muscle disease causing dilated heart chambers and weak pumping function). Our study aims to identify genetic mutations associated with heart disease in Borzoi dogs and document their existence in other sighthound breeds.

Eligibility: Any sighthound, age and sex, and all vet records must be provided. OFA and Holter forms if able.

What Happens: We will collect saliva samples from both healthy sighthound breeds and sighthound breeds affected by arrhythmias and/or dilated cardiomyopathy.

We will extract DNA from

these samples and perform genomic sequencing on a select number while retaining the remainder for further screening.

By analyzing the sequencing data, we can compare the genes of healthy and affected dogs and identify variants linked to their heart conditions.

We will also compare the findings in Borzoi dogs to results from other sighthound breeds.

No genetic results will be available to study participants, though they may read the paper upon publication.

Financial Incentives/Obligations: No direct compensation is provided for participation. We will send the kit for free, we only ask for the owner to pay for return shipping.

If interested, please sign up on our Study Page link and register each dog separately: <https://studypages.com/s/genetics-of-inherited-heart-disease-in-borzoi-dogs-and-other-sighthound-breeds->

Anna Tyler posted the above on the AHCA Facebook page. - Ed

Jumpers with Weaves, 75 qualifying scores in Master FAST, 75 qualifying scores in Time 2 Beat, **AND** 50 qualifying scores from Premier Standard and Jumpers with Weaves! That is a total of 450 qualifying scores. This is quiet the feat for any Agility Team, especially since this title had only been around for five years, or an average of 81 qualifying scores a year, at the time of achievement. For our Conformation friends, think of it as 450 Group First placements!

While we patiently await the final numbers from AKC, there has been a preliminary report that states there were **118** Afghan Hounds to achieve titles in Companion and Family Dog events in 2024.

They are as follows: Obedience – 2; Rally – 14; Agility – 22 titles; Scentwork – 4; Canine Good Citizen – 25; Farm Dog Certified – 5 titles; Trick Dog – 11; AKC Temperament Test – 10; Fit Dog – 22; and Therapy Dog – 3.

With the 2025 AHCA National a few short months away, we have been given the go ahead to start booking our judges.

The Companion Events will take place on Tuesday, October 21st with Agility in the morning and Obedience and Rally in the afternoon. We are always looking for volunteers as it is hard for competitors to help with course changes and trial their dogs.

If there are other Companion and Family Dog events you would like to see at future Nationals, please email me beth.erisman@gmail

REQUEST FOR SPECIALTY AWARD - AGILITY

Submitted by Lynda Hicks

I would like to request of the Board that a special award be pre-

sented at the 2025 Awards Banquet to an Afghan Hound that recently became the first AH to achieve the AKC's Agility Grand Champion (AGCH) title.

This title is designed to celebrate the lifetime achievement of dogs that excel across all AKC agility classes.

To earn the AGCH title, the following number of qualifying scores must be earned:

- Master Standard & Master Jumper with Weaves – 100 qualifying scores from each class
- Master Fast – 75 qualifying scores
- Time 2 Beat – 75 qualifying scores
- Premier Standard and Premier JWW – 50 qualifying scores from each class

JUNIOR SHOWMANSHIP REPORT

Submitted by Darla Miller

Per AKC juniors department, we had 17 juniors showing in Junior showmanship in 2024. We had none in performance events. I asked for previous year reports but have not heard back from them. I thought this would be interesting in following up each year to see the trend.

As of the end of January, 2025 we have only 1 junior who has placed per *Canine Chronicles*.

Once again this reflects where we stand vs other breeds in recruiting young people in showing our breed. I am looking for ideas and suggestions and welcome suggestions. (NOTE: I thank the clubs who sponsor specialties for including Juniors in their events.)

I thank Virginia Katilus for posting the pictures of Riley Dean, best junior in the Topknot News Winter 2024. I have contacted Riley for sharing her story for the next edition.

As soon as the dates and information regarding our National is finalized, I will once again send it to the AKC junior department to be posted on the Junior website with a link to our show information.

**AKC OUTSTANDING
SPORTSMANSHIP AWARD**

In the American Kennel Club's ongoing efforts to recognize and celebrate its volunteer club members, The AKC Outstanding Sportsmanship Award program was established in 2006 to provide each member club with an AKC Medallion to award to one of its own on a yearly basis.

This award honors those individuals who deserve special recognition that have made a difference in the sport of purebred dogs, embodied the AKC Code of Sportsmanship, and have been an active and valued member of an AKC member club. Medallions are awarded solely at the club's discretion.

**APPOINTMENT COMMITTEE FOR
NOMINATION OF LIFETIME
MEMBERS**

A committee to nominate candidates for Lifetime membership may be appointed by the Board at the first meeting of the fiscal year and shall consist of **two board members and 1 current Lifetime member.**

This committee shall submit names for potential Lifetime Membership to the board for a Board vote at the summer meeting.

The Board may also nominate additional candidates at the summer Board Meeting. A two-thirds vote is required for approval of Lifetime Memberships. (B 09/16)

Note that this is a required annual review, but it is not mandatory that a nomination be made.
