SPECIAL PHOTO OPPORTUNITY

Photographer Frank Simon contacted us asking for a chance to come to our show and take photographs of afghan hounds. He has wanted to photograph afghans and will share his work with you without charge in gratitude for the opportunity. You can see his work here: www.simonphotographic.net Frank plans on setting up a location on Saturday morning prior to judging (he will work around the ring and the other set-ups in the courtyard), and he plans to be there for the AM specialty. As you know, sometimes the official photographer has a problem with that, but we welcome him and anyone else with a phone or camera and hope some of you get wonderful keepsakes.

**INTRODUCING OUR
BREEDERS' CUP
JUDGE:
TERI TEVLIN**

Born into a family that bred Great Danes, dogs have always been part of my life from a very early age. My father, Joel Rosenblatt, began a very successful breeding program and was a top professional handler specializing in this breed. Through our relationship with the Tongrens, I acquired my first Afghan Hound, Scarabet Aprilove V Raintree, in 1985. Although very different than Great Danes in character, she captured my heart and love for the breed. I did not get another Afghan Hound for many years until after I graduated from college. I was lucky to have acquired a beautiful dog and bitch from Paladin and Summerwinds. I finished both their championships and casually began to handle dogs for others. I now handle professionally and have shown many class dogs/bitches to their championships. In addition, I have campaigned many specials, traveled all over the world and was honored to have the number one dog MBIS/MSBIS Int. Jap. Am. Ch. Poseidon of Mountain Top One JP in 2007. I began my own breeding program in 2011 under the kennel name, Spice Hill, and have many champions to date. I have a Doctorate in Pharmacy and continue to work full time as a pharmacist and show professionally on most weekends. Thank you for the opportunity to judge our wonderful breed.
