- Not Champions of record on the date of closing of entries for the show.
- Individually registered with The American Kennel Club as of the date of closing of entries for the show.

In any subsequent classes for which a dog from the Bred-by Exhibitor class becomes eligible, there are no restrictions as to who may handle

Non-Regular Classes Involving Single Dog Entries

Field Trial Dog Class • Field Trial Bitch Class

For Afghan Hounds who are AKC registered and have not had their coats shaved and meet all AKC eligibility requirements according to the AKC Rules Applying to Dog Show, Chapter 11, Section 8 and are confirmed Field Champions or Coursers of Merit. Note: A copy of the certificate awarding the title will be accepted as proof. Dogs will not be entered into this class without proof of title accompanying the entry form. The first place Winner, if undefeated in the show, is eligible to compete for Best of Breed Competition. Judging of this class will commence immediately following Winners Dog/Winners Bitch.

Non-Regular Classes Involving Multiple Dog Entries

Stud Dog Class – For Stud Dogs and at least two, and not more than four of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered in one of the Regular or Non-Regular Classes or, if a Champion of Record, in Best of Breed competition, but must be entered in the Stud Dog class. The Stud Dog may be entered in the Stud Dog Class only at the regular entry fee. The Get must be entered in one of the Regular Classes or, if a Champion of Record, in Best of Breed competition. The Stud Dog shall be considered one entry and requires one entry fee. The Stud Dog must be shown in the ring with the Get. The class will be judged based on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the dog show rules, AKC policy, or the standard of the breed.

Brood Bitch Class - same as for Stud Dog except substitute Brood Bitch for Stud Dog and Produce for Get.

*Chapter 11, Section 8 of the "Rules Applying to Dog Shows" provides that a neutered male may be entered as a Stud Dog in the Stud Dog Class and a spayed Bitch may be entered as a Brood Bitch in the Brood Bitch Class.

Brace Class - A brace is defined as two dogs of the same recognized breed or variety that are similar in appearance, performing in unison, and presented by a maximum of two handlers. Both dogs competing in brace competition must have at least one common owner. The dogs comprising a Brace must be named at the time the entry is made. If a dog which is to be part of the Brace is not entered in another class, it must be entered for "Brace Class Only". In making entries for "Brace Class Only," full particulars must be given for each dog on individual, regular entry forms. An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for "Additional Class" if more than one Brace is entered by the same owner, the dogs comprising each Brace must be so designated "Brace No. 1," "Brace No. 2." Please submit brace entries together.

As the judge's decision in the Stud Dog, Brood Bitch, and Brace classes will be based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in the class will be eligible to compete for Best of Breed by virtue of having won either of these classes.
