Neutered dogs and spayed bitches may be entered in Veteran Classes. *The winners of these classes are eligible to compete for Best of Breed Competition provided they have not been defeated in another class.*

NON-REGULAR CLASSES INVOLVING MULTIPLE DOG ENTRIES

As the judge's decision in the Stud Dog, Brood Bitch, Brace & Breeders classes will be based on the merits of more than one dog or bitch, none of the dogs or bitches making up the entry judged first in the class will be eligible for Best of Breed by virtue of having won these classes.

Stud Dog Class – For Stud Dogs and two to four of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered separately in one of the Regular or Non-Regular Classes or if a Champion of Record, for Best of Breed Competition or may be entered for Stud Dog Class only at the regular entry fee. The Get MUST be entered in one of the Regular Classes. The Stud Dog unit shall be considered as one entry and requires only one entry fee. The Stud Dog must be entered in the Stud Dog Class and shown in the ring with his Get. Get only to be judged on the merits of the Get. While the merits of the Stud dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show rules, AKC policy or the standard for the Breed.

Brood Bitch Class – Same as Stud Dog Class except substitute Brood Bitch for Stud Dog and Produce for Get.

Brace Class – Effective January 1, 2005. A Brace is defined as two dogs of the same recognized breed that are similar in appearance, performing in unison, and presented by a maximum of two handlers. Both dogs competing in brace competition must have at least one common owner. The dogs comprising a Brace MUST be named at the time of entry. If a dog which is to be part of a Brace is not entered in another class it must be entered for "Brace Class Only". In making entries for "Brace Class Only" full particulars must be given for each dog on individual regular entry forms. An entry form for a dog entered in another class and entered as part of a Brace MUST be marked accordingly in the space provided for Additional Classes "Brace Class". If more than one Brace is entered by the same owner, the dogs comprising EACH Brace unit must be so designated "Brace NO. 1", "Brace No. 2", etc. PLEASE SUBMIT BRACE ENTRIES TOGETHER.

Breeders Class – Entry Fee (see pg. 3) The Breeders Class is multiple entry class consisting of 3-5 dogs regardless of sex. This class is open to all breeders. All dogs entered must have at least one breeder in common who must be present. The individual dogs comprising the entry must be from at least two different combinations of parents but need not be owned or handled by the breeder. Entrants must be entered individually in some other conformation, performance or companion class. **ONE** dog must be pre-entered in the class. Other 2-3 dogs; armband numbers must be submitted to the ring steward the day of the event.

EXHIBITION ONLY CLASSES

AKC National Owner-Handled Series

(Remember to check the box near the bottom of the entry form)

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

All dogs that are owner-handled and are not solely owned or exhibited by professional handlers* meet the requirements for this competition. Exhibitors must declare their dog is Owner-Handled eligible at the time of entry using the check box on the entry form. Eligible dogs will be identified by an asterisk in the steward's book & the catalog. **Dogs must be handled throughout the breed level competition for the regular show by an eligible owner. Professional handlers, household members and current assistants** to professional handlers may not exhibit the dog in this competition.**

Owner-Handled Best of Breed/Variety will be selected from the dogs that are eligible to compete in the Best of Breed/Variety competition including Winners Dog, Winners Bitch and undefeated winners of the non-regular classes. ***This excludes all dogs defeated during class and winners competition for the regular show.***

- If the Best of Breed/Variety winner is Owner-Handled competition eligible, it will automatically be Owner- Handled Best of Breed/Variety and be eligible to compete in both the regular as well as the Owner-Handled group.
- If the Best of Breed/Variety winner is not eligible for Owner-Handled competition and the Best of Opposite Sex to Best of Breed/Variety is eligible, the Best of Opposite Sex to Best of Breed/Variety will compete against the eligible exhibits of the other sex to determine Owner- Handled Best of Breed/Variety. If neither the Best of Breed/Variety nor the Best of Opposite Sex to Best of Breed/Variety are Owner-Handled competition eligible and Select Dog & Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.
- If one of the Selects is eligible, excuse all Champions and non-regular class winners of the same sex and then choose Best Owner Handled exhibit from the remaining dogs of the opposite sex including the eligible Winners.
- If the regular show Best of Breed/Variety, Best of Opposite Sex to Best of Breed/Variety, Select Dog & Select Bitch are not eligible, the judge may choose any eligible dog who competed in Best of Breed/Variety including Winners Dog or Winners Bitch as the Best of Breed/Variety for the AKC National Owner-Handled Series.
- If the Best of Winners is eligible, the other Winners are ineligible since it was defeated.
- No class dogs other than the Winners Dog & Winners Bitch are eligible to return to the ring. The breed will not be represented in the Owner-Handled Group if there is no eligible dog competing in the Best of Breed/Variety or in Best of Winners competition.

A qualifying score is required in lure coursing and either obedience or Agility to win the Triathlon Trial.

AFGHAN HOUND CLUB OF AMERICA TRIATHLON

PURPOSE: To recognize those Afghan Hounds that participate in Triathlon conformation, coursing and obedience and or agility during the Afghan Hound Club of America National Specialty.

ELIGIBILITY: Open to all Afghan Hounds that have reached the age of 1 year old and have an AKC number, or an ILP/PAL number. All dogs entered must participate in Triathlon conformation, lure coursing and one of the following; Obedience, Rally or Agility. If they fail to participate in any event they are no longer eligible for the Triathlon. If they participate and they are dismissed or disqualified from any event, their score shall not count and they shall be no longer eligible for the Triathlon.

All eligible participants will be eligible for placements, first through fourth, however the Triathlon winner must achieve a qualifying score in both (1) obedience, rally, or agility and (2) lure coursing. Placements will then be awarded according to the highest score.

TRIATHLON CHAIR: The duties of the Triathlon chair include reviewing all entries and making sure the dogs are entered properly and participate in all the correct events. He/she must collect and tabulate all scores and placements according to the rules and regulations of the Triathlon and post them in a timely fashion on a sturdy poster board (or something of a similar nature) in a location that is easily accessible for everyone to view.

RULES: The scoring for the Triathlon is based on scores earned in the following events, (1) obedience, rally, or agility, plus (2) lure coursing and (3) triathlon conformation. Scores of these events (Agility and rally being alternative options for an obedience score) will each have a 100 points base score. The total scores for all three events will be added together. The dog with the highest point total and has qualified in obedience, rally or agility plus coursing will be declared the Triathlon winner. If a dog enters more than one of the Obedience, Rally or Agility option, the highest score will be used. Entries in Agility, Obedience, and Rally are acceptable and encouraged. In the event of a tie the tie breaker rules apply. At the conclusion of the performance & companion events and the triathlon conformation judging, the winner will be announced.

OBEDIENCE:

The obedience score will be ½ of the total points earned in a regular, preferred, or optional obedience class, or 100 points maximum. Except that the following point deductions shall be applied in calculating the total score: Preferred Novice, deduct 10 points. If the dog enters more than one class the higher score will be used in scoring this dog for the Triathlon.

RALLY: The Rally Trial score will be 100% of the total points earned in Rally Advanced Or Rally Excellent Class.

AGILITY:

The agility score will be 100% of the total points earned in any Jumpers or any Standard class for dogs that receive a qualifying score. For dogs that do not receive a qualifying score, the following shall apply:
Novice classes - receive 50 points.
Open or Masters classes - receive 65 points if one error, or 50 points if more than one error.

TRIATHLON CONFORMATION:

Dogs will be brought into the ring together and gaited. They then will be brought back into the ring individually and examined and scored and then they may leave the ring. Each dog is eligible to receive a score of 50-100 points. The judging will be based on a 100 point system. The dogs will not be judged against each other but by how closely each dog fits the standard as interpreted by the judge. No placements will be awarded.

LURE COURSING:

The lure coursing score will be ¼ of the points earned in ASFA Scoring plus 22%.. ASFA Lure Trial entrants must be entered in one of the Regular Stakes, Open, Field Champion or Veteran Stakes. The AKC scores will be ½ of the total points earned in the AKC Lure Coursing Trial plus 22%. AKC Lure Coursing entrants must be entered in one of the following stakes: Open, Veteran, or Special Stakes. Since the AHCA offers both ASFA and AKC coursing if a dog enters both and runs in both, the higher score will be used to determine the dog's Triathlon score.

TIE BREAKER: There will be no Bonus Points awarded for placements. The Total of the raw Scores will be used. In the case of a tie, placements will be utilized for tie breaker points. Placements will be given points of 4, 3, 2, and 1 for First through Fourth Place in a four-dog or more class. Only 1 point will be awarded for a one-dog class, 2 points and 1 point for a two-dog class, and 3 points, 2 points, and 1 point for a three-dog class. BIF, HIT and HCS will be utilized as final tiebreakers, used only after all placement tie-breaker points have been awarded.
