Straight Racing Information

- **WHAT IS LGRA?** The Large Gazehound Racing Organization (LGRA) is the national organizations who holds sprint racing events for gazehound breeds. The hounds run 200 yards straight after a lure consisting of a fur, bag and squawker. Up to four hounds race a total of three times, called programs. Depending on the order of finish, they may attain national points towards a GRC, Gazehound Race Champion, title. All breeds will be using a 6-hole starting box. Each box stall measures 34 inches in height, 48 inches in depth, and a width of 11 inches. Hounds need to be one year of age or older to be entered. They will also need to be registered with LGRA. This can be done the morning of the race meet by bringing a photocopy of the hound's registration along with a \$2 fee. After registration, your hound will receive a LGRA number that will be used in entering future LGRA meets.
- **WHAT ARE PRE-ENTRIES?** - Entries made before the closing date. If your entry is mailed in time yet due to the failure of the postal service it is not received in time for the Race Meet Secretary to have it at the Event, then you will have to fill out day of entry forms on the day of the meet. Always have your dog's registration materials with you when you go to a meet.
- **WHAT ARE "DAY OF" ENTRIES?** - Entries accepted after the closing date for pre-entries are considered Day of Entries. "Day of" entries are usually more expensive because the Race Meet Secretary (RMS) must take extra time to add those entries to the record sheets the morning of the meet, which delays the start of the meet. If you are entering on the day of the meet, you **MUST** have your completed entry to the RMS **BEFORE** Roll Call.
- **INSPECTION** - Dogs will be inspected by a designated Inspection Committee consisting of at least two persons who are members of the Field Committee and who shall inspect each entered dog for lameness, fitness to compete and female estrus (in season). Inspection shall take place prior to any form of wrapping being applied to the dog. In the opinion of the Inspection Committee, any entry found to be lame, unfit to compete or in season shall not be allowed to enter and the applicable entry fees shall be refunded.
- **ROLL CALL** - The time, prior to the commencement of racing, by which you are supposed to have your dog ready for inspection by the Inspection Committee. At roll call the dog is examined for lameness, and breed disqualifications (where applicable). Unspayed bitches are examined to see if they show any evidence of being in season. After roll call the list of passed hounds is taken to the Race Meet Secretary
- **HELPING OTHERS:** This kind of event requires much help from everyone involved, from (walking dogs, releasing hounds, retrieving hounds at the finish, line judging and foul judging). Please make yourselves available to help with the successful running of this race meet. Everyone who enters a hound is expected to help out with the running of this race meet.
- **BOX PRACTICE:** We offer box practice, weather and time permitting, on Sunday morning before roll call, time permitting. Practice is \$3 per dog (bring exact change).

Field & Course Plans

- Battery powered, drag lure machines will be used.
- The lure will consist of fur, squawker, plastic strips contrasting the terrain.
- The members of the AHCA reserve the right to alter the course plan as required by weather and/or field conditions on the day of the meet.
