## Program of Judging

JUDGING STARTS PROMPTLY AT THE HOUR APPOINTED AND WILL CONTINUE WITHOUT INTERMISSION UNTIL THE JUDGE HAS COMPLETED HIS OR HER ASSIGNMENTS FOR THE SESSION.

During the hours of judging, owners and handlers are requested to have their dogs at the ringside when their classes are called so that the judging may not be retarded.

Judges will not wait for any dog holding up a class. Owners or agents alone are responsible for the presence of their dogs in the judging ring.

### First Annual Report

- (a) Last February we attended the Specialty as spectators. We owned an Afghan, a pet. This year we come as exhibitors. In the year between these two events we have established Ju-I Kennels.
- (f) We now own four dogs, besides our original pet, and three bitches, the first of a number to be acquired.
- (g) Two of our dogs are still puppies; if they grow up to confirm our expectations they shall be used at stud. The other two, Ali Baba of Grandeur and Spartan of Grandeur, we now maintain at stud.
- (h) Our bitches have all been bred this year. The first failed to conceive. The second, bred to Spartan, is due to whelp on the 25th of January. The third, bred to Ali Baba, is due on the day of the Specialty.
- (a) The only one of our dogs shown to any extent during the past year is the blue bitch Jui of Grandeur. She has won 11 points including one major.
- (n) In one year devoted to the breeding of Afghans what we have achieved is the beginning of a kennel. Our foundation stock is not complete. When it is, we will possess a variety of dogs in sufficient numbers to make possible the success of our one-point program; to breed sound and faultless Afghan hounds, intelligent and beautiful, true to the ancient classic type.

*We offer for your consideration:*

A proven matron two years old. This bitch has type and style. She is a FAULTLESS MOVER, both coming and going. We think she would be an excellent foundation for a new kennel or an asset to an established one. The judges like her too. She is UNDEFEATED IN THE ADULT CLASSES. This gay lady has 8 points including two majors. The other points should be easily gained.

We also have a delightful personality who would be a wonderful companion. He is six months old. This big boy is red with a black mask.

See us here and arrange to drive out to see us and our dogs. Our bar is always open to those who like to talk dogs.

**MR. UNIVERSE  
ENTERS ORBIT**

*Spectacular young Afghan Hound  
Takes Golden Gate Specialty,  
Group in Debut as Champion.*

In his first appearance as a champion, our Crown Crest MR. UNIVERSE, a gorgeous flashing black-masked gold, eclipsed a field of 52 competitors January 17 to win the Northern California Afghan Hound Club Specialty Show under Judge Louis Murr and the Golden Gate Kennel Club Hound Group judged by Mrs. Sadie Edmiston.

The dazzling 18-month-old youngster was handled in top form by his breeder and co-owner, Kay Finch of Corona del Mar, California, who shares him with us.

Mr. "U" was sired by imported Ch. Ophaal of Crown Crest, American, German, Belgian, Holland champion, out of Ch. Hope, who in turn is a daughter of Ch. Taejon of Crown Crest, world record holder in the breed for BIS wins.

We predict a great show career for our young victor. He truly "means the world" to us.

WITH A CURRENT REPORT FROM

**AKABA'S TOP BRASS**  
"BRASSY"

Hi, here I am at 6 weeks, but you should see me now! The consensus of opinion is that I've grown up to be a real handsome lookin' Afghan. I just got second in a big Puppy Class at the Northern California A.H.C. Specialty at Golden Gate K.C., and won a real nice big trophy, so my mom is pretty pleased with me, BUT, that sister of mine, she really thinks she's something and she IS too! (Guess that's how she got her name). She just walked off with two big trophies at the same show. One for 1st in a big Puppy Class and THEN, lo and behold, she really taught the old gals a lesson in ring manners and showmanship and went on to RESERVE WINNERS BITCH! All this at 10 months of age! P.S. I just got a Reserve from Puppy Class too, at Lancaster K. C.

## Santa Fe and Afghanistan Have a LOT in common!

The Afghan originated in  
Afghanistan over 4,000 years ago.  
Kabul, the capital of Afghanistan,  
has like Santa Fe, an altitude of  
7,000 feet and is dry, mountainous,  
caravan country. The higher the  
terrain, the thicker the Afghan coat.  
Afghans grow luxuriant coats  
in Santa Fe! In our large runs they  
have the opportunity to exercise that  
develops traditionally strong  
legs and fine bodies. If you are  
thinking of an Afghan for show  
purposes we suggest you write us.  
Our dogs are of the finest blood lines  
and are born to be shown.
