Program of Judging

JUDGING STARTS PROMPTLY AT THE HOUR APPOINTED AND WILL CONTINUE WITHOUT INTERMISSION UNTIL THE JUDGE HAS COMPLETED HIS OR HER ASSIGNMENTS FOR THE SESSION.

During the hours of judging, owners and handlers are requested to have their dogs at the ringside when their classes are called so that the judging may not be retarded.

Judges will not wait for any dog holding up a class. Owners or agents alone are responsible for the presence of their dogs in the judging ring.

From

CH. AKABA'S TOP BRASS

"BRASSY"

Son of famous Westminster B.I.S. winner
Ch. Shirkhan of Grandeur

Last year you saw me as a 6 wks. puppy. Now I greet you as an A.K.C. CHAMPION and boy I really did it up right with 3 big majors over the Wests best competition. My admirers say they have never seen such style and elegance and I can really get out and move——SOUNDLY!

And guess what! I'm really busting my buttons. My first family is due any day now out of the exquisite AKABAS GIGI IN WHITE, and of course, we both possess true hound structure coat, heads and CHARACTER befitting our royal family. My beautiful sister "AKABAS KNOW IT ALL" is just about a champion now too!

The Hounds of
SCHEHEREZADE

**Mazuri Shems Bacchante - Sheba of Scheherezade
 Bletchingley Ragman of Scheherezade pictured
 at 14, 21 and 17 months respectively**

The Scheherezade hounds and their owners, Major and Mrs. Wallace Pede, hope to be here with you at next year's show. Until then we'd like to take this opportunity to wish you all the very best in 1960, and to extend an invitation to visit us, if your plans include a trip abroad this summer. Plans are to bring back to the states four or five hounds representing some of the best blood lines in Europe and England. The three hounds pictured above have been shown extensively all over the United Kingdom and have won over 125 awards. Ragman earned his first B.I.S. (all breeds) at 15 months, Junior warrant at 16 months, and his first challenge certificate and B.O.B. at 22 months. Bacchante was Best Puppy in show (all breeds) her first time out and earned her first challenge certificate and B.O.B. just ten months later. We would enjoy hearing from some of the Afghan people in the states and will be more than happy to offer our services if there is anything you need this side of the Atlantic.

CH. JUI OF GRANDEUR

Second Annual Report

- (a) Last February we attended the Specialty for the first time as exhibitors. We came with an entry of two, an 8-month-old puppy, Rhyng Tayl Rynstone Grandeur, who placed second in his class, and our original foundation brood bitch, Jui of Grandeur. This year we come for the first time with representatives of our own breeding, two seven-month-old litter mates, a son, Ju-I Ak Tepe, and a daughter Ju-I Kahba of Grandeur, of our Ch. Jui of Grandeur and our Spartan of Grandeur.
- (f) At this time last year we owned eight Afghans. Three were producing brood bitches, and two were proven studs. At the time of this writing we own thirty-five Afghans. Our brood bitch strength has been increased to four; our stud force remains at two. The remaining dogs are puppies. Most of them are for sale as breeding stock, show dogs, or pets, depending upon their quality.
- (g) We continue to maintain at stud to good bitches Ch. Ali Baba of Grandeur, son of Ch. Turkuman Nissim's Laurel, and to select bitches only the great Spartan of Grandeur, son of Ch. Shirkhan of Grandeur and Ch. Silver Pearl of Grandeur.
- (h) In 1959 we whelped three litters. In January Aisu Kuriimu of Grandeur whelped ten puppies by Spartan of Grandeur. In February Hajji Minx of Grandeur whelped seven by Ch. Ali Baba of Grandeur. In July Ch. Jui of Grandeur whelped ten by Spartan. In 1960 we have whelped three litters thus far. Minx whelped eight puppies, Aisu twelve, and Sahara Ari of Grandeur whelped ten. All were by Spartan of Grandeur.

- (a) During our second year of exhibiting we finished two champions. Ch. Jui of Grandeur finished in April. She was the first sired by Ch. Shirkhan of Grandeur to do so. Ch. Ali Baba of Grandeur finished in September. Our biggest win of the year was in September at the Specialty held by the Afghan Hound Club of Southwestern Ohio at Covington, Kentucky, where Ali Baba of Grandeur went Winners Dog for five points and Aisu Kuriimu of Grandeur went Winners Bitch for five points also.
- (n) In two years devoted to the breeding of Afghans, we have produced six litters from the best of which the choice puppies are as good, we think, as any being produced today. This is the result of good matings between outstanding representatives of bloodlines not bred but bought by us from those who so far deserve the credit for what we have produced rather than we ourselves. Not until a generation of dogs of our breeding have themselves produced dogs of equal or better quality will we measure our accomplishment as the beginning of success. But when our foundation stock is complete, as it is not yet, and when it has been thus implemented with stock that we have bred, we will possess a variety of dogs in sufficient numbers to make possible the success of our only program: to breed sound and faultless Afghan hounds, intelligent and beautiful, true to the ancient classic type.

So far every hunting breed that has been bred for appearance alone, has been damaged. The characteristics that set the Afghan apart from all others are undeniably the result of centuries of selective breeding for hunting qualities. This then, is our program to maintain and improve the breed: We will NEVER breed or offer for stud service, an Afghan that is not outstanding in BOTH conformance and in the field. Puppies for sale and stud service from dual-purpose line bred stock.
