Program of Judging

JUDGING STARTS PROMPTLY AT THE HOUR APPOINTED AND WILL CONTINUE WITHOUT INTERMISSION UNTIL THE JUDGE HAS COMPLETED HIS OR HER ASSIGNMENTS FOR THE SESSION.

During the hours of judging, owners and handlers are requested to have their dogs at the ringside when their classes are called so that the judging may not be retarded.

Judges will not wait for any dog holding up a class. Owners or agents alone are responsible for the presence of their dogs in the judging ring.

Mid-West's "Winningest" Afghan

CH. TAJMIR BHIJHUPITER

Shown without regard to area or competition, at two years of age BHIJHUPITER'S breed wins now total in the 30's in a nine-state area and under a variety of judges. We believe his winning of 26 BB's in 1960 to be tops in our area—among his breed wins are Heart of America, Wheaton, Milwaukee, Detroit, Indianapolis, etc. He celebrated his first Group Win (owner shown) at Des Moines under Derek Rayne—this marked his 15th BB and was still undefeated as a Special at all breed shows! Since then he has won or placed consistently in strong Hound Groups—handled either by owner-breeder Pat Sinden or Dick Cooper.

His record and quality speak for themselves and are indicative of his winning and producing bloodlines. He is sired by BIS and Specialty winner CH. KARLI BENGHAZI. His dam is CH. CROWN CREST KHITTIKU, C.D. who herself is out of the top living producing combination of INT CH. OP-HAAL OF C.C. (31 Ch.) x CH. C.C. TAEJON (14 Ch.)

JESI JHAIMZ RIDES AGAIN !!!

REWARD

Son of Jesi Jhaimz
Sahadi Apache Geronimo
(Pictured at 6 Months)

On January 28th, 1960, Ch. Crown Crest Jesi Jhaimz of the Wild West litter, stole into the camp of the illustrious princess, Ch. Crown Crest Khalifah. Before many moons had come to pass nine papooses (5 Braves, 4 Squaws) appeared at the Sahadi reservation to herald the birth of a modern-day Jesi Jhaimz gang, known as the Sahadi American Indian Tribe.

They have already stolen many hearts (and show ribbons!) with their winning ways and are on the warpath, riding hard and fast toward their championships, by capturing the fancy of the judges along the dog show trail. All wear black masks in the tradition of the Wild West, and will stop at nothing to steal the love and affection of aficionados of their breed.

A posse tells us several of these adorable desperados from Sahadi's American Indian litter, are at the show today. If you spot them your "reward" will be the supreme satisfaction of having tracked down a sound and beautiful representative of the breed. So be on the lookout for the following members of the Jesi Jhaimz gang !!!

SAHADI NAVAHO THUNDAHBIRD
SAHADI SEMINOLE FIREBRAVE
SAHADI COMANCHE BRAVE EAGLE
SAHADI CHOCTAW INDIAN CHIEF

ALIBABA OF SCHEHEREZADE

untouched photo by owner

The Leading Best in Show Kennel for the Breed in England and Scotland in 1960

untouched photo

**BLETCHINGLEY RAGMAN
OF SCHEHEREZADE
with Maj. Pedro**

ALIBABA was pick of Ragman's first litter and although he started 1960 as a seven-month-old puppy, he nonetheless leads all other Afghans in the country in winning more firsts, more Reserve Bests in Shows, more Best in Matches and more Bests in Shows. His sire RAGMAN was just behind him in total B.I.S. ALIBABA was shown under 55 judges in 1960 finishing under all but one. Following are but three typical critiques from the many leading judges that have seen and gone over him in the show ring. Mr. W Foster, "That really exquisite Afghan that I raved about as a puppy, now he is maturing in true mould, a regal head with delightful contrast shadings, a balanced body with true bone weight. His effortless movement is very true. Presented in lovely condition. He proved a popular B.I.S." Mr. Bill Siggers, "An outstanding class with a magnificent hound at the top, of a most unusual and attractive tri coloring, head always carried high in a serene manner. Plumb true front on typical feet, well furnished body, level top, low set tail always carried correctly. Plenty of length from hip to hock, goes in true Afghan style. Many years ago there was another ALIBABA doing the shows and he was the fear of other breeds for his appearance usually meant B.I.S. Maj. Pedro's youngster is just such another to create and make a similar reputation." Mr. Leo Wilson, "Upstanding Afghan immaculately presented, scored in head, neck, shoulders and movement." These two magnificent hounds together with two adult bitches and pick of Ragman's latest litter will be arriving in the U. S. next month. They will be making their home in the Washington, D. C. area and both RAGMAN and ALIBABA will be placed at stud. It is hoped they will add to the ever increasing advancement of the breed, which is, you will agree, the goal and aim of all of us who love and admire our noble breed. Both of us are looking forward to meeting and visiting with you and joining in, in both the fun and the work of our great American Dog World and the Afghan breed in particular. Until we establish our Washington D. C. residence we may be reached at,
