## Parade of Rescue Bio's

### **237 GOLDMINE'S QUEEN LATIFA** Owner: Mary & Peter Currie

Latifa "**Lala**" came to Couches for Afghans when her breeder too sick to care for her when she was 7. Lala ended up with a herniated disc and was given and \$8500.00 surgery and became paralyzed. She was turned over to me to care for her with bedsores and required 24 hour care. Couches provided Laser treatment, physical therapy and acupuncture when her second owner could not care for her and she was released 6 months later to me. She is retired from dog shows one major shy of being a champion. She is my champion. Earl Minor passed away in 2016 after 50 years of Afghans. She is one of the few Goldmine dogs left. She is a success story!

### **238 MARLEY** Owner: Mary Berg

Marley was found wandering a country road in Iowa by a Deputy Sheriff who took him to a vet. He had suffered a horrendous burn on his back going down his sides. The skin was raw and maffot filled but proper care and time has healed much of the scar and allowed most of the coat to regrow. He was adopted thru Couches for Afghans and landed in Missouri where he has taken over. He is a goofy happy giant and gets along well with everyone in his new home. He is wicked smart and charming if he wishes. I've given him several names because he is such a goofy hillbilly goober but I love his smile and I'm glad he wandered into my life.

### **239 DELYLAH DEMARTE** Owner: Karey DeMarte

Delyah came from a life in a crate. Where life was just that. She only had one human who worked many hours a day leaving no adventure time for young Delyah. Reluctantly her humab made the wise choice to re-home her with the help of Couches for Afghans. Coming to her new home, her new brother Rufus, excitedly, welcomed her with open paws and a bouncing play bow. She very quickly learned she had a backyard to RUN in and RUN she did. But that wasn't the end to the adventures she soon found out. She loves to go camping, fishing, hikes and walks. She has made it known that all the smells are the best part. She assumed her position as diva. She owns everything and everyone especially her dad.

### **240 RUFUS DEMARTE** Owner: Karey DeMarte

Rufus, with the help of Couches for Afghans and Goldmine Kennels, came out of the jaws of death from a kill shelter. He was deemed vicious when in fact he was TERRIFIED! He was only a puppy in a hostile environment, not knowing anyone or anything. This once terrified pup came into a loving, caring, patient home that helped him thrive and allowed him to be himself, charismatic, funny and loving boy. He loves to go fishing where he gets to play with the fish. He entertains a crowd in his quest to find driftwood. Plau with it in the water then add it to his collection on the bank. He loves camping. Rides in the car and walks. Forget trying to get out of the house without him when he knows it's your day off!

**241 TUCKER** Owner: David Hendrix

Please meet “**Tucker**” who was rescued from an environment in which his former owner neglected him by leaving him outside for most of his life. Because of his Afghan attitude, he remained lovable and patient to get a loving future home. Thanks to “Couches for Afghans,” the local rescue group, he now has four Afghans to play with and also enjoys the comfort of loving human companionship. He finally has the luxury of sleeping on a queen size bed with his companions and owner, of course not all at once. Tucker has shown to be very intelligent and will soon compete in Obedience and Lure Coursing events. Just waiting for PAL/ILP certificate. If you want to be friends, give him a scratch on his hips, he’ll love you forever!!!

**242 JOURNEY** Owner: Susan & William Charles Etherington

I don’t even know what all Journey’s journey included before I met him. But I am so thankful for Couches for Afghans and that journey brought him to me! Daily Journey reminds me just what a journey through life with Afghan Hounds can be!

**243 GINGER** Owner: TeResa Aberle & Allan Besancon

Ginger came to us in early 2016 through Mary Curry and Amy Gibb and Couches for Afghans. Ginger is an Elmo Afghan, bred by Peter Belmont. She spent some time in the ring, and from our understanding finished. She is the Dam to a number of finished puppies. She seems to know this is her last stop. She is happy and protective of the people she knows. She lives in our home with three other dogs, her buddy being Jimmy, a hairless Chinese Crested who curls up under her back legs and belly, like her own puppies once did.

**244 KELLY NO!** Owner: Jeffrey Staniszewski

I have owned and loved Afghans for the past 30 years so when my Buffy passed I decided to get a new companion for Buddy. One day I read about a rescue named Levon who resembled Buddy and so I adopted Levon and renamed him Kelly. He is so unlike my prior three Afghans in some ways and so similar in others. Kelly has this deep ferocious bark yet he is very trusting and loving. He has been described as a maniac who eagerly awaits a visitor to jump up and properly greet them. He takes great joy in waking me up around 7:30 each day so that he can go back to rest once the coffee is brewing. Needless to say, I love my Kelly Dog. We lost Buddy so now it is just Kelly but I never regretted my decision to adopt this maniacal loving dog.

**245 HAVOC** Owner: Saramay Dennison

Two years old **Havoc** has been in his forever home just over a year. He enjoys playing with his Rottweiler sister, Mayhem; giving and receiving lots of cuddles, and getting into the garbage. He’s an accomplished escape artist, enjoys traveling and sunning himself in the Utah heat. Havoc is a smooth Afghan but still embraces all of the naughty behaviors of the Afghan breed. He is owned and loved by Saramay Dennison.

**246 GIDEON** Owner: Tom & Carla Wright

**247 SAMSON** Owner: Tom & Carla Wright

The boyz, **Gideon** and **Samson** were being sold from a cardboard box on the roadside in Louisiana. Shelly Neilsen, their first earth angel, drove by and could not leave them. After she got the boyz she went back and got the mother and father and successfully shut down this roadside breeder. The boyz were his last inventory. As we prepared their angel flight to Colorado destined to Tom and Carla’s loving arms, we had the help of another earth angel. Bill Kinsinger from Pilots N Paws flew the boyz safely into Colorado. Bill Kinsinger on January 5, 2018, went missing in his plane over the Gulf of Mexico on his way to pick up a sick dog for transport back to Texas. He was truly an earth angel that gained his heavenly wings. We can’t thank Bill enough and so miss him., and can’t say enough for the Pilots N Paws organization and their dedicated pilots. The boyz arriving in Colorado needed more vetting so got to spend a month with Auntie Ame and her hounds while we cleared up Coccidia. We worked on their crate training, Chesare learned to jump 3 feet vertical in the air lest he touch a puppy. Samson being the adventurer just loved to watch him jump and had to torment – he loved that power. Being the great role model Chesare taught them to power dig holes in the yard. Once we got the all clear by our vet, off to terrorize Tom and Carla Wright. Tom and Carla chose their names – Gideon and Samson: From stories of Weakness and Strength – Grace to You. Gideon being the weaker, softer of the two while Samson being the character full of strength and into everything – tormenting his little brother. Tom and Carla took on the challenges of taking the two boys without hesitation they are earth angels. Earth Angels are called at the soul level to help others, spread kindness, have compassion and make a difference on Earth. These boyz truly had the help of several earth angels to find this loving home.

**248 INDIGO NIGHT MYST “INDI”** Owner: Maureen Selvig

Indi joined our family a few years ago. She was living in a situation where she spent most of her days in a crate and was refusing to eat. We continually voiced our interest in getting her out of that situation and the owners eventually agreed to sell her to us. Through nourishment and love she began to gain weight, her coat improved, and she began showing us her wonderful personality. Indi has acquired her Canine Good Citizen Certificate, her Therapy Dog License and she has a couple of lure coursing ribbons. Indi has such a sweet and loving disposition and she is a big part of my psychotherapy practice. She also knows how to cut loose, run with her brothers and have the time of her life! When her brother Naji came to live with us, she welcomed him with open paws! We can’t imagine life without you Indi!

**249 NAJI** Owner: Maureen Selvig

This is **Naji**, one of the sweetest boys in the world! Naji was rescued out of South Korea by Afghan Hound Rescue of Southern California. Sandy Blount and Lori Olson took good care of him until he made his way to our home in Colorado. It was love at first sight when I saw his photo, and I knew he belonged with our family. Naji was so very shy and scared when he came to us, and he has come a long way. He loves to run and play now, and loves his sister Indi dearly. One of Naji’s favorite things to do is to stand on his hind legs and give us hugs. WE love you so much Naji!
