CH. SAMARIS of
MOORNISTAN

OWNER:
SUE A. KAUFFMAN

Our cover girl, CH. Samaris of Moornistan, well deserves to depict this pedigree issue. Dr. William Moore, III bred this fine bitch and sent her, as a 5 month old, to Sue and Ned Kauffman's HOLLY HILL Afghan kennels. Under the HOLLY HILL banner, she became the top winning Afghan female in the U. S. in 1958. She further proved her greatness by to date producing 19 Champion offspring.

Samaris' Champion children and Grandchildren have also proven themselves a force in Afghan Hounds. It would be impossible to enumerate all of these Afghans outstanding wins, but some idea of the quality animals from Samaris can be seen in the list below.

CHILDREN

25 All Breed Best In Shows
Over 100 Hound Group Firsts
Among Top Ten Hounds (AllBreeds)
For 1961, 1962, 1963, 1964, 1965
Best In Show Afghan Hound Club of Southwestern Ohio - 1960
Best In Show Afghan Hound Club of America - 1961
Best In Show Mid-West Afghan Hound Club - 1961
Best In Show Afghan Hound Club of Southwestern Ohio -1962
Best In Show Potomac Afghan Hound Club -1963
Best In Show Mid-West Afghan Hound Club 1963
Best In Show Potomac Afghan Hound Club - 1965

GRANDCHILDREN

5 All Breed Best In Shows
Over 35 Hound Group Firsts
Best In Show Potomac Afghan Hound Club of America -1966
Best In Show South Florida Afghan Hound Club -1966
Best In Show Greater Chicago Afghan Hound Club - 1966

To further point out Samaria's Grandchildren influence, the Greater Chicago Afghan Hound Club Specialty of 1966 had an entry of over 100 Afghans. The winners were -Best In Show - Holly Hill Sultan; Best Opposit Sex - CH. Holly Hill Phaedra; Winners Dog and Best of Winners - Holly Hill Sultan ; Winners Bitch - Holly Hill Treasure Island. The following day at the Chicago International, Sultan came out of the classes and all the way to first in the Hound Group to finish his Championship.

Sue and Ned Kauffman of 103 Chestnut Ridge Road, Hubbard, Ohio take great pride in selling their quality Afghans to those interested in the hobby of showing dogs. Their new litters show great promise of carrying on the winning ways of HOLLY HILL.

TUBE FEEDING ORPHANED PUPPIES

by Elizabeth Brisell

Tube feeding has been much discussed and has been ventured by a few. I had read about the procedure some years ago but had feared trying it till one day I was faced with a pair of young pups (not Afghans) whose mother rejected them. She absolutely refused to have anything to do with them and they were too weak to nurse from a bottle. One was near death. There seemed nothing to lose in trying tube feeding and I was amazed at the results. Today both pups are alive and healthy.

All that is needed to tube feed a pup is a number ten French male catheter tube and a 10 cc syringe. The best puppy formula I have found is Redi-Feed put out by Animal Specialties. The formula is warmed to body temperature.

In preparation sterilize the tube and syringe in boiling water. Then measure the distance from the end of the tube to the middle of the stomach on the outside of the pup. It is best to mark this point on the tube with a pencil. The catheter is then attached to the syringe. For a newborn pup the syringe is filled with about four cc milk. One should be careful to have the tube full of milk as well as the syringe, otherwise one will fill the pups stomach with air first and the milk will be on top. When this happens the pup will burp up the milk.

Now gently slide the tube into the puppy's throat. If you go slowly you will be able to feel when the tube passes the windpipe. Keep pushing the tube till it is in the puppy's stomach, but don't push hard.

When the tube is in place hold it with your thumb so that the pup will not push it out. Then gently and slowly press the plunger of the syringe so that the milk goes into the stomach. By the time the pup is a few days old you will find he is taking the full ten cc. If he wants more he'll tell you.

After removing the tube I always rub the puppy thoroughly so as to bring up any air, much in the same way one burps a baby. At this time it is also well to wipe the Puppy's rear with cotton as young pups do not eliminate by themselves.

Now that the pup is clean and full lie it head down so that if it should throw up the milk will not be breathed back into its lungs (don't be worried if he won't stay that way-that's a sign of a healthy pup).

I have used this method of feeding on any number of pups from Toy Poodles to Collies to Afghans and have never lost a pup raised in this manner. If one is gentle and proceeds slowly it is quite safe.

TAMORA KENNELS

Announces

We are proud to announce that CH. Alibaba of Scheherezade is now a member of of our clan. He is co-owned by his breeder Lt. Col. Pede'. Alibaba has eleven BIS and several group wins to his credit. He has sired numerous champions both here and abroad.

Two of his young winning progeny are shown below. Karmen and Salome are out of our CH. Tamora Shara Ginger: See Page 11.

Karmen made her debut in fine fashion at 6 months of age by winning her class at the Potomac Afghan Hound Specialty. At 10 months of age she won major points.

Not to be outdone by her sister, Salome took her class at the Afghan Hound Club of America Specialty with Karmen in the ribbons as well, in really stiff competition.

Carole P. Barrett, Canada -- My interest in Afghan Hounds started as a child in England, my home. From a fancier I became a breeder-exhibitor when I settled in Canada five years ago... My time and available kennel space being limited I sold many of my dogs and retained two champion females for breeding. Although Afghans are my first love, I have bred and exhibited collies and still take a keen interest in the breed... At the present time, I hold the position of Vice President of the Afghan Hound Club of Canada.

For years in Canada, the El Myia name was synonymous with Quality Afghan Hounds. Following a sharp decrease in the breeding and showing activities of El Myia Kennels, the appearance of the Afghan Hound at Canadian shows became an increasingly rare occurrence. Some may argue that to some extent this situation still exists today, particularly in the Maritimes and Prairie provinces. However, this is very rapidly changing with the present rate of interest in our breed.

The establishment of our Afghan Hound Club of Canada in 1964, brought together a small group of enthusiastic breeder-exhibitors with Mary Matchett (of El Myia fame) in the role of Honorary President. The Club, though still struggling in its infant stages, can to date boast several Boosters held in conjunction with major shows, and is planning a Specialty for 1967, our centennial celebration year in Canada. While a few years ago, a female of mine was the only Afghan entry at the famed Sportsmen's Shows in Toronto, the same show this year attracted 27 entries from distant points in Canada and as far away as California in the U.S.

At the present time, we have a number of imported dogs in Canada. The Phillips of Clarkson, Ontario have stock of the Horningsea Kennels of England, while more English lines are present in the Prairie Provinces. My Afghans carry Khorassan-Grandeur lines, and in addition to these I have imported from the Holly Hill Kennels where I was fortunate to acquire the lovely female, Holly Hill Heather, who was campaigned successfully in the Midwest last year. Heather, we hope, will play a major role in our future breeding programs. Although I come from England, the reputed 'Mecca of Dogdom', I am far more impressed with the overall quality of the Afghan Hound in the United States. A recent visit home has not changed my opinion the slightest.

This brings me to my next point. Many of your good dogs have yet to make their debut at Canadian shows. Few Afghan exhibitors here are in the happy position of being convenient to the U.S. border and have not had the opportunity to view your top Afghans at U.S. shows. If this sounds like a plea for U.S. entries at Canadian shows, it is! The more competition, the better, as far as we are concerned. Incidentally, a Canadian Championship is earned after ten points (no majors necessary).

Unfortunately, at a recent show here, I overheard an old time exhibitor complain that Canadian shows are too frequently 'used' by unschooled dogs and exhibitors alike from the U.S. well, perhaps this is true to some extent, and perhaps up here we do see many specimens which could not obtain American Championships, but due to less competition here, could, eventually earn Canadian titles. On the contrary, I have seen some fine American entries in Afghan Hounds and I desire to see more. So, why not make your Afghan Hound an International Champion eventually, by exhibiting up here?

If you have fund raising problems, then you will be able to appreciate our difficulties. Our club is national not regional, which means that we have regular members separated often by distances as great as 3,000 miles. We have one ardent exhibitor who braved three days by train with three Afghan Hounds in order to attend a recent Afghan Booster in Toronto, Ontario, from his home province of Manitoba. One of the shortest distances which separates members is that of 300 miles- the distance between the president of the club and myself. This makes the arrangement of regular meetings almost impossible, consequently we gather at major shows in the hopes that members within a 300-400 mile radius can attend.

"Pirate" --- the "Mr. Personality" of Dogdom. Eye catching black masked cream beauty owned by Mrs. Joseph Namesnik, bred by Sue A. Kauffman and professionally Handled by Betty Crawford finished his Championship at 16 mos. This youngster already has to his credit 5 BOB and 1 Group 1st. winning over top hounds in the country. Tho not heavily campaigned "Pirate" was the first to finish his Championship from this outstanding litter. This Breeding combines the finest English and American bloodlines.

CANADA CALLING ...CON'T

In spite of various obstacles, mainly communication, our club has survived and membership is growing steadily, particularly in the east where most breeder-exhibitors tend to be located. There is no doubt that we are struggling and experiencing setbacks (mainly financial) as most clubs will appreciate but each major show sees an increased Afghan entry, and an increasing interest in, and awareness of our breed. With these encouragements, we go on in the name of the most elegant and noble breed, the Afghan Hound.

Carole P. Barrett
Khyber Afghan Hounds, 58 Carlyle Ave
Ottawa1, Ontario, Canada

It is with deep regret that I report the sudden and tragic death of Mrs. Mary Matchett, owner of the famed El Myia Kennel of Afghan Hounds. Many will remember the services she rendered the breed over the years and how much she contributed to popularity of the Afghan in Canada. Mrs. Matchett will be sadly missed by all, particularly the members of The Afghan Hound Club of Canada.

EASTERN U. S. A.

by Dr. William Moore, III

Dr. William Moore, III, Elverson, Pennsylvania--His interest in Afghan Hounds started as a young boy in Germany, where his father an army officer was stationed. His first Afghan, a bitch, came from there... He has bred Best In Show Afghans and supplied many kennels with their foundation stock... He is a member of The Potomac Afghan Hound Club.

It is an honor and a pleasure to represent the east with a column in this well done, widely read, and enduring journal. Besides presenting news from this area, I will editorialize a bit on subjects pertaining to Afghans and showing dogs in the hope of stimulating discussion, response, and in certain instances, if it is not too much to hope for, reforms.

The Potomac Afghan Hound Club annual Meeting was a catered affair given by the Lee Bramlettes at their home in Fairfax, Va.. Besides elections of new officers, the meeting served as a good-bye party for several members leaving the area. Going the farthest were the Pedes, who are now in Okinawa. The new officers are: John McCollum, Pres.; Ray Kelley, 1st V.P.; Jill Mullins, 2nd V.P.; and Mary Morgan, Sec.-Tres.. The Board of Directors includes Barbara Bramlette; Gertrude Stewart; Blair Nelson; Leo Murphy; and Bill Moore. Plans are underway for an even larger Specialty this November in conjunction with the great show of the Baltimore K. C.. This is a show you should not miss.

Traveling east this summer? Make "The Animal Shop" in Lahaska, Bucks County, Pa. a sure stop. Trudy Jagoe is the talent behind this new venture, which features the finest in pet products combined with art and antique objects related to the field. Trudy and Harvey are relatively new in Afghans, but are well on their way toward finishing a young dog.

Here's a question I've heard more than a few times. Should dog shows be taken seriously? There are so many shows (maybe too many), and a dog that loses today may be a big winner tomorrow, even in the same competition. Judges opinions vary greatly. We've all seen dogs, quite faulty by the standard, do such a great amount of winning that it makes us wonder just what counts at a dog show. Certainly the time, effort, and expense entailed in exhibiting dogs is serious enough. And if you happen to be a breeder, you would not deny that this part of the sport is serious proposition. Therefore, I take dog shows seriously and breed with the published standard as the dominating factor in mind. I would like to see dogs judged with conformation as the primary consideration. I would like to see exhibitors, especially breeders, show more disgression in the selection of "show quality" dogs. Do I sound too idealistic, too practical, too serious? Maybe I just hate to think of wasting time, effort and Money.

Dr. William Moore, III
Moornistan R.D. #2, Elverson, Pa.

AFGHAN HOUNDS IN SOUTH FLORIDA

by Chuck Turner

Chuck Turner, North Miami Beach, Florida,--Tho new to the breed he has shown and finished several Afghan Hounds... He is active in the South Florida Afghan Hound Club... He is now engaged in starting a professional kennel.

The South Florida area, almost a remote outpost not too long ago insofar as activity in Afghan Hounds is concerned, has in the past two or three years, become quite a hot-bed of activity. In this period of time, the Afghan population has grown to include many champions, including both well known campaigners and young, recently finished dogs.

Among the 'name specimens' is the black and tan CH. Silverstone Witch Doctor, owned by Miamians Angela Rossi & Maria Aspuru. This boy has compiled quite a list of breed and group wins throughout the south, and just recently advanced on his winning ways with several group placements on the Florida circuit. They also own the red bitch, CH. Malandra's Nantucket, and are looking forward to breeding this daughter of CH. Holly Hill Desert Wind x CH. Barrister's Portia to Witch Doctor.

Another south Floridian with a champion pair is Alice Hively, who has the Gold Coast Kennels in Ft. Lauderdale. Pride of the kennels is the tremendous coated black dog, CH. Holly Hill Midnight. Alice has been keeping Midnight at home for some time, but is planning on bringing him back to the shows soon, doubtless to add to an already imposing list of wins. Also 'at home' at Gold Coast is the newly-finished blue bitch CH. Gold Coasts Brass Spangle, a blue brindle daughter of CH. Akaba's Top Brass.

It was not too long ago, that the only male Afghan Hound champion in the state of Florida was the elegant, red CH. Larch Tree of Grandeur. Now, Larch Tree is resting on his laurels, while his owners, Bill and Archie Clot, are campaigning his young son, the typey CH. Larchtree's Lord Jeffri. This one created quite a stir on the Florida circuit in January, finishing his title by twice going from the classes to BOB over group and BIS winning Specials, and also taking BW at the 5-point Miami Specialty as well. With Bobby Barlowe handling, he is now starting out in Specials and has already taken 2 group firsts, 1 group second and one group third. Bill and Archie also own the handsome cream brindle, CH. Tyger Khan of Grandeur a son of CH. Shirkhan of Grandeur. This one has not been shown since finishing his championship last year.

Another young male who finished on the Florida circuit in January, is our own CH. Holly Hill Shane of Lynncrest, an apricot son of CH. Holly Hill Desert Wind x Barrister's Miss Feasance. Shane has not been shown since winning his final points at Tampa, but is due to start out in Specials soon.

Other champions in the area include CH. Marsinah of Moornistan, recently acquired by Joan Eleyet of Miami. Marsinah is a litter sister to CH. Samaris of Moornistan and CH. Hassen Ben of Moornistan. Mr. & Mrs Michael Padula of Ft. Lauderdale own CH. Zarak Khan of Kismet and recently obtained CH. Moon Maga of Kismet. Moon Maga is the dam of Zarak Khan and his two litter brothers, CH. Jaune' Saadia of Kismet and CH. Beau Geste of Kismet. Zarak Khan was the 13th ranking Afghan Hound last year and had impressive wins in California as well as the south. Mr. Morton Rothenberg owns CH. Caesar Caliph Chai. A litter sister of Caesar's is CH. Princess Mdyln of Kinnucan, owned by Mr. W. C. Kinnucan. These two are sired by CH. Jaune' Saadia of Kismet x Crown Crest Miss Nanci.

With several promising litters around, we look forward to adding to our list of South Florida champions.

Chuck Turner

NORTHERN CALIFORNIA AFGHAN HOUND CLUB NEWS
by Conni Miller

Conni Miller, Santa Rosa, California,--She is involved in many Afghan activities, but is best known as the co-author of the book THE COMPLETE AFGHAN HOUND, by Miller / Gilbert.

There are two large regional clubs in California with northern group revolving in a wide half-circle around the San Francisco Bay area. Overlapping members and interests bring happy competition and co-operation between the two groups and this is never more evident than at 'Specialty time'. Saturday, May 29th, the 'Northern Club's Independent Specialty' was held in Menlo Park, about as far south as AKC will allow, to pull entries from both ends of the state. The show is followed, on Sunday, by the famed Del Monte All-Breed Blue Ribbon Show, lying a few miles further south, to make a very important California double major-point weekend. With 21 dogs and 18 bitches needed for just three points in California there is a constant struggle for the infrequent 'majors' and a lineup of near-champs needing them.

Excitement was especially high at the Specialty with judge, Clair Race ("Rifka" Afghans) over from England just to do the show. She pulled 116 West Coast hounds. Del Monte with its restrictive 'blue ribbon' requirements had 71 Afghans entered.

The Specialty went off splendidly. A chilly wind blew thru Burgess Park continually but was preferable to the heat of previous year. Mrs. Race judged with beautiful graciousness, consideration and competency, certainly strengthening Anglo-American hound ties. The club's own 'windblown Afghan' statuettes, mounted on tiered silver bon bon dishes, were eagerly grasped by all winners from 1st to 4th place in the classes. Winners Dog out of an OPEN class of 19 dogs, was a young (17 mos.) brindle comer, El Sayya's Solo of Raemir, owned and handled by Grace Beyer. Winners Bitch, from the Bred by Exhibitor class, was the Richard's Camri's Kiss Me Khayte, with BOS going to Tichenor's CH. Dea Zenga Rhythm Fascination. From the very impressive line of 12 Specials the Best of Breed was awarded to CH. Sandhihi Joh-Cyn Taija Baba with owner/breeder Brandt Houtsma. Among extra B/B awards was a special rosette donated by the Afghan Hound Assn. of England, and a framed original painting of Sirdar of Ghazni (having originally been executed for THE COMPLETE AFGHAN HOUND by Miller / Gilbert).

The non-regular VETERAN DOG class was of added interest with six retired champions, several numbering among the countries most famous 'grand old men' and appearing on numerous pedigrees. Many photos were taken and many eyes were misted during the class, finally first prize was awarded to the grandly elegant, but somewhat gray CH. Crown Crest Topaz, nearly 12 years old, but interestingly enough, the sire of the "BEST PUPPY" in the show (High Life Fancy Free of Camri).

The following day at the Del Monte show with its famed sea-side setting, judge O.C. Harriman continued many class placings identical to those of the previous day. But in the huge OPEN classes with over-flowing quality to pick from (as attested by both judges) the point winners were different ones. Winner Dog (and BW) went to High Life Phaeton piloted by owner Nancy Grunewald to make "Brownie" California's newest champion (subject to AKC confirmation), he having been among the males needing only a 'major' to finish him. John Agostinetto's young red bitch, El Rey's Ladybird took Winners Bitch and BOS. As John was the NCAHC's hardworking Specialty chairman who wouldn't relax until the last detail of Specialty show was in place, his grateful fellow members thought it only poetic justice that John be repaid for his selfless efforts with Del Monte win gained by his lovely and lively bitch, to climax his busy weekend. Best of Breed again to the glowing "Baba", a marvelous ambassador for the breed who has amassed a startling record of breed and Specialty wins and is not yet three years old.

A backward look at class and point winners points up strong and evident stud influences of two unrelated and quite different appearing Northern California studs, both of whom

have been used spareingly, but with marked effect on the breed, appearing as either sires or grandsires of many of the winners at the two shows. It is CH. Javelin of Camri who sired the WB at the Specialty as well as the STUD DOG class winner (CH. Sardar El Sayyad). Thru 'Sar' Javelin is grandsire of the WD at the Specialty, and a Javelin-daughter is dam of the Del Monte WB. Similar breeding thru other offspring appear in other class winners. The other force, CH. Crown Crest Topaz, sired the WD at Del Monte and the senior puppy winners of both shows. He also appears as grandsire of other class winners thru various daughter. Combinations of these two different, but individually grand, hounds are now appearing in young stock in the area meeting with marked sucess at large matches and point-show puppy classes.

The Northern California Afghan Hound Club Spring Match was held in April with Virginia Mika Robinette ("Mikai" Afghans) as judge. BEST IN MATCH was a blk/mask silver adult male, Belden Desenrab, owned by Norman Hensley. BOS and BEST PUPPY IN MATCH was High Life Red Poppy of Camri (CH. 'Topaz' ex CH. Taliesin of Camri) owned by Miller/Nelson.

There is certainly no shortage of litters in Northern California, but there has been an annoying plurality of males in the litter, putting good young bitches at a premium. Quality appears to be high. Current signs point to continued rising competition in Afghans in terms of quality, quantity and point requirements.

"CRITIQUE" ON PUPPY MATCH AT STRONGVILLE, OHIO

by Bernard W. Mansfield

Judging the Afghan Hounds at the "Cleveland Little Classic" was an enjoyable experience. I would like to express my sincere apology for the inconvenience to exhibitors and Club members caused by my arriving late (I was not aware of the fact that the show was on Daylight Saving Time). Thanks to Sue Kauffman for pinchhitting for me and judging the 6-9 months puppy dog class.

When evaluating Afghans, I always look for a hound that has outstanding breed type combined with soundness and elegance. It was encouraging to see several exhibits showing considerable promise. However, inexperienced puppies cannot always be expected to show their best points to advantage which makes it more difficult to make comparisons. I placed an eight months old brindle male (by Alde' Barbe's Ferrari ex CH. Holly Hill Sorceress) effortless movement and elegance. Senior Best of Breed went to a red/black masked bitch. This bitch went on to win the Senior Hound Group and Best in Show. Since I do not know the names of most of the Dogs, their owner, etc., I will not attempt to comment further on individual entries; but I'm sure a complete listing of class winners will be included in Afghan Antics.

PUPPY DOGS 6-9
Excalibur Firethorn
H. Stock & D. Holland

BEST PUPPY
Group 3rd

PUPPY DOGS 9-12
